4. INTENT: To develop and maintain an environment free of sexual assault.

5. GENERAL:

a. Sexual Assault: Sexual Assault refers to offenses of a sexual nature committed without the lawful consent of the victim. These offenses, which are punishable as crimes under the Uniform Code of Military Justice (UCMJ), include rape (Article 120), forcible sodomy (Article 125), indecent assault (Article 134), assault with intent to commit rape or sodomy (Article 134) and attempts to commit any of the (USAREUR Sexual Misconduct Awareness Campaign Plan).

(1) Rape: An act of sexual intercourse with another individual by force without the individual's consent.
